# **Jackal Mask**

## **Instructions**

1. Following the dotted lines, cut out the jackal head, including the eyes and nose. (watch your fingers!)
2. Make small holes at points (A) and (B).
3. Poke the end of a string through the hole at point (A), and tie a knot in the end of the string.
4. Poke the other end of the string through the hole at point (B), and tie a knot.
5. Put on the mask!
